Message from Leadership

As more people get vaccinated and things begin to open up, the Board is monitoring the health protocols and safety recommendations to guide its decisions on what is best for its members. At this time we continue to run our intraclub and interclub leagues as well as provide the support for the registration of a number of USTA Adult League teams as NorCal offers a 'soft-opening' of league play.

As guidance and protocol continue to recommend, FCTC will carefully re-implement events that were suspended during the Pandemic. These include social events as well as special play opportunities that we all enjoyed.

Stay tuned and we'll let you know by email and on the website what events and activities will be offered and how to sign-up for them.

Other Club News

The City recently washed all five courts at Edgewater and has been diligently doing maintenance at Edgewater and Catamaran in response to our communications. We are meeting with them every two months and cover a number of different topics relevant to FCTC.

They have been amazingly responsive and the turnaround time on repairs is very fast.

If you have any topics you would like for us to discuss with the City, please let us know by clicking on the Suggestion Box tab on the home page at www.fostercitytennisclub.org.
