Club News

The club continues to develop programs and strategies to offer as much as it can to our members while we wait for our horizons to open up next year. Social Match Tennis is a big success, Competitive Team Tennis kicks off this week and sign-ups have been overwhelming. We're looking at expanding offerings after the new year including a Ladder, expanded CTTL for higher level players and the potential for Juniors Programs including scholarships for under served communities. We're also looking at available funding from private sources and USTA to enable programs and facilities.
